INTRODUCTION

With spectacular views of the River Clyde and Kilpatrick Hills, “The Earl of Mar” Par 70 Championship Golf Course offers an unrivalled Five-Star experience located within 240 acres on the picturesque “Banks of the Clyde”.

Designed by Dave Thomas, whose work includes The Belfry, San Roque and La Manga, the course has a shingle and sand base. Greens are built to USGA standards, draining at 50mm per hour, allowing virtually uninterrupted golf all year round without the need for Winter greens or mat play.

Typical of a Dave Thomas course there are strategically placed bunkers providing a challenge throughout your round, interspersed with many stunning heritage trees some of which are more than 100 years old. Mar is one of the best courses in Scotland and you can clearly see why – it’s a must play in any golfing calendar!

Enjoy your Golf!

EARL OF MAR COURSE

Why not make the most of your golfing experience with a residential golf break? We have one or two night packages available, or we can tailor a golf package to your specific needs. You can play as much or as little golf as you like, dine in style in one of our restaurants and unwind at the end of the day in our Luxury Spa.
