EARL OF MAR
GOLF MEMBERSHIP PACKAGES

INTRODUCTION

With spectacular views of the river clyde and the Kilpatrick hills beyond, our 18 hole Earl of Mar Championship course offers an unrivalled five star experience.

The par-70 layout is maturing fast since opening in May 2010. The five-star resort is plotted within 240 acres of picturesque parkland on the south bank of the Clyde.

It was designed by respected golf course architect, Dave Thomas, who is known for his work at The Belfry in England, plus San Roque Club and La Manga in Spain.

The course is shaped around stunning 250 year old sweet chestnut and beech trees, with strategically placed bunkers providing a challenge throughout your round.

EARL OF MAR COURSE

This is one of the best new golf courses in Scotland and you can clearly see why – it's a must play in any golfing calendar!

Why not make the most of your golfing experience with a residential golf break? We have one and two night packages, or can tailor a golf package to your specific needs. You can play as much or as little golf as you like, dine in style in one of our restaurants and even unwind at the end of a days golfing in our luxury spa.
